

## Quality Policy

- 1. We are committed to providing our customers with the highest quality automotive products and services that meet or exceed their expectations. We strive to continuously improve our processes and systems to ensure customer satisfaction and achieve excellence in all aspects of our operations.*
- 2. Our goal is to manufacture and deliver defect-free products on time and every time. We are dedicated to complying with all applicable quality standards and regulations.*
- 3. Our company's success is dependent on the quality of our products and services. We are committed to providing quality products and services that consistently meet our customers' requirements and expectations.*
- 4. We are committed to providing a safe working environment for our employees, and to producing products that are safe and reliable for our customers. We aim to continuously improve our processes and systems to minimize risks and prevent incidents.*
- 5. Our Quality Policy is based on the principles of customer satisfaction, continuous improvement, compliance with regulatory requirements, and the involvement of all employees in the pursuit of quality excellence.*
- 6. We are committed to providing products and services that are environmentally sustainable, and to minimizing the environmental impact of our operations. We strive to continuously improve our environmental performance by reducing waste, conserving resources, and preventing pollution.*
